The number of seats is limited.

»»» Cooperation in the framework of the selection of the FERS 2021 – 2027 programme

Under the European Funds for Social Development Programme 2021-2027 (FERS), the Office of Strategic Projects and Rector's Initiatives started coordinating activities aimed at preparing two projects under the call.

The first project in the Education for Economic Needs competition (FERS.01.05-IP.08-008/23) is prepared in cooperation with the Centre for Courses and Training. The aim of the project is to help improve the situation of people on the labour market, supporting the ideas of lifelong learning. For the next Education Project

for the benefit of the economy (FERS.01.05-IP.08-006/23) cooperation with the Office of Strategic Projects and Rector's Initiatives was established by 11 Faculties of the University of Gdańsk. The prepared joint project focuses primarily on supporting the creation of new or modification of existing education programmes, in cooperation with employers and the development of competences of the staff involved in the implementation of the education process. Starting cooperation within the framework of the competitions resulted in the first meetings on this topic and the next ones are planned in the coming weeks.

»»» Conference "Why is it worth being an expert of the European Commission?" – 17 October 2023

The EUNational Contact Point for Research Programmes invites you to participate in the conference "Why is it worth being an expert of the European Commission?" on the role and experience of experts in the Horizon Europe Framework Programme. The conference will take place on 17 October 2023, from 1 p.m. 9:00-16:00 at Radisson Blu Sobieski Hotel in Warsaw.
