»»» Online conference "Financing environmental protection from EU Programs" - Registration has been launched

The LIFE National Focal Point is organizing an online conference "Financing Environmental Protection from EU Programs" on March 7, 2024. This is a unique opportunity to gain knowledge "in a nutshell" about EU programs from which funding can be obtained for environmental projects.

The online conference will be held on March 7, 2024, from 10:00 a.m. to 1:00 p.m. It is addressed to all those who plan to implement projects in the area of environmental protection, both public and private entities.

Registration for the Conference will close on March 6, 2024 at 12:00 pm, and the number of participants is limited, so we encourage you to register as soon as possible.

Registration:

At the link we provide you with the registration form for the online Conference "Financing Environmental Protection from EU Programs":

»»» 2023 Annual Reports.

As the deadline for submission of annual reports approaches, we'd like to kindly remind you that the regulations and contracts oblige you to fill in and submit reports of the tasks that you performed in a timely manner.

The deadline for the submission of the reports to the Project Implementation Support Office is - **at the latest 10 work days** before the deadline provided by the Funding Institution.

Yearly reports of projects that are funded from the programmes financed by the MNiSW (like NPRH, Doskonała Nauka, Diamentowy Grant, Perły Nauki) and NCN – should be delivered to the funding institution by the 31st of March.

»»» On April 18, 2024, the European Commission will publish new calls for proposals for the LIFE Program.

A new call for proposals for the LIFE Program will start in April. This is a good time to start working on your LIFE project concept, which you should consult with experts from the LIFE National Contact Point after the calls for proposals are published.

The European Executive Agency for Climate, Infrastructure and Environment (CINEA) has published the schedule for the new 2024 LIFE call (source information here). Calls for proposals will appear on April 18, 2024 on the CINEA website and on the Funding & Tender opportunities portal.

We encourage you to take a look.

»»» Call for applications under Project Support Facility- PSF launched

The Secretariat of the Council of the Baltic Sea States (CBSS/CBSS) has published information on the opening of a call for applications under the Project Support Facility for 2024 (PSF, <https://cbss.org/psf/psf-2024/>) open to eligible entities from Denmark, Estonia, Finland, Iceland, Germany, Latvia, Lithuania, Norway, Poland and Sweden. The project must involve partners from at least three of the aforementioned countries, and the grant for the project can amount to a maximum of EUR 65,000.

Applications can be submitted until March 31, 2024, according to the guidelines and information posted on the PSF 2024 Call page. Only one call is planned, the allocation amount is about EUR 300 thousand.

»»» Opportunity for Development: Widening Package for Polish Research and Scientific Units

We invite you to participate in the event, which will take place on March 15, 2024. Horizontal Focal Point Southeast Poland cordially invites you to the webinar: "Widening Package - an opportunity for the development of Polish research and scientific units".

What can you expect during this meeting? The ever-expanding European Research Area is opening new horizons for Polish scientists and research institutions. During the webinar you will learn about:

- role of the Program in broadening participation and strengthening European research cooperation.
- criteria for participation in competitions and how to obtain financial support.
- the most important competitions and opportunities that can bring new development opportunities to your research unit.

More information and registration are available at the website: [Widening Package - an opportunity for the development of Polish research and scientific units.](#)

OPEN CALLS FOR PROPOSALS

Project Preparation Support Office – Project Incubator invites scientists to apply in the announced calls

or the preparation of project applications, please contact us at the email address projekty@ug.edu.pl. The Office, upon receipt of an email, will assign a Project Support Officer who will be available for any matter related to the Application. We believe that the steps we have taken will contribute to facilitating the application process.
