»»» Webinar: Intellectual property in Horizon Europe projects - 23/07/2024 10:00 - 12:00

Horizontal Contact Point of South East Poland kindly invites you to a webinar, during which the issues concerning the rights to the results of the project implemented under Horizon Europe and the issues related to the use of knowledge existing in the project will be discussed.

Registration is required. More information and the registration form are available on the [KPK website](#)

»»» Minister Dariusz Wiczorek has established the new Council of the National Program for the Development of the Humanities

The Minister of Science Dariusz Wiczorek has established a new Council of the National Program for the Development of the Humanities. The NPRH Council is an advisory team to the Minister of Science, which consists of representatives of the humanities. Its tasks include substantive evaluation of applications submitted under the NPRH, identifying candidates for experts participating in the application evaluation process, and presenting reports on the progress of the program's individual calls for proposals. Professor Mikolaj Sokolowski of the Institute of Literary Research of the Polish Academy of Sciences was appointed chairman of the council.

More information are available on the www.gov.pl

»»» Funding for the European Solidarity Corps volunteer project

A chance for personal and professional development and strengthening solidarity between people while respecting their cultures and traditions - these are the assumptions of the subsidized European Solidarity Corps volunteering. The European Solidarity Corps volunteer project received funding for activities in the amount of EUR 36,624.00. The implementation of the program is supervised by the Director of the Office of International Cooperation, Magdalena Sawicz, MA. It is planned to involve volunteers in the activities of the Office of International Cooperation and in supporting initiatives implemented at the Welcome Center.

OPEN CALLS FOR PROPOSALS

Project Preparation Support Office – Project Incubator invites scientists to apply in the announced calls

or the preparation of project applications, please contact us at the email address projekty@ug.edu.pl. The Office, upon receipt of an email, will assign a Project Support Officer who will be available for any matter related to the Application. We believe that the steps we have taken will contribute to facilitating the application process.
