## »»» 2024 Annual Reports.

As the deadline for submission of annual reports approaches, we'd like to kindly remind you that the regulations and contracts oblige you to fill in and submit reports of the tasks that you performed in a timely manner.

The deadline for the submission of the reports to the Project Implementation Support Office is - **at the latest 10 work days** before the deadline provided by the Funding Institution.

Yearly reports of projects that are funded from the programmes financed by the MNiSW (like NPRH, Doskonała Nauka, Diamentowy Grant, Perły Nauki) and NCN – should be delivered to the funding institution by the 31st of March.

## »»» New Guide to Payment Claims for Beneficiaries of the Interreg South Baltic Programme 2021-2027

The newly updated User Manual - Payment Claims is available on [the Interreg South Baltic 2021-2027 website](#).

This document is an improved version of the previous manual, specifically adapted to the South Baltic Program 2021-2027. It contains not only technical instructions, but also important content guidelines.

**Interreg**  
**South Baltic**

Co-funded by  
the European Union

## »»» LIFE program – why is it worth it? – Nature and biodiversity (NAT)

Let's learn about the advantages of the Nature and Biodiversity (NAT) subprogram - on the example of a project implemented by a national park.

Nature and biodiversity (NAT) - the LIFE subprogram, which allows financing activities aimed at implementing the Birds and Habitats Directives, the regulation on invasive alien species, for the implementation of the European Biodiversity Strategy until 2030 or ensuring compliance with the natural environment and access to the justice system.

Beneficiaries of the LIFE Program may be all public and legal entities registered in the European Union and countries associated with the LIFE Program.

The film is available on the NFOŚiGW/LIFE YouTube channel

## »»» The first edition of the PRIME project – supporting the commercialization of science

The PRIME project is targeted at researchers working in Polish research organizations who wish to assess the market potential of their scientific research results and develop and implement the most appropriate commercialization pathway. According to the call announced on December 20, a single applicant, as a research organization, can receive grant support up to a limit of PLN 942,060 within the entire PRIME project; one grant under Phase I and II can receive funding of up to PLN 313,904.

We encourage you to review the information presented by FNP during the informational meeting held on December 17, 2024, as well as the regulations, criteria, and application instructions available on the Institution's website in the "[Documents for Call No. 1/2024](#)" section.

## »»» NCBR: JTC2025 – Second Call under EP PerMed, until February 18, 2025

The call for proposals for the international JTC2025 competition, announced under the HE partnership (EP PerMed), is now open. Its objective is to fund research on human health in the area of pharmacogenomic strategies in personalized medicine. Applications for funding of industrial research and development work are welcome. Polish applicants may include, among others, organizations conducting research and disseminating knowledge, a group of entities consisting of two research organizations, or a group of entities composed of one research organization and one entrepreneur.

The detailed thematic scope of the competition and the countries eligible for research collaboration under this initiative are available in the announcement at the following link: <https://www.gov.pl/web/ncbr/ep-permed-jtc2025-2-konkurs>.

The allocation for Polish entities amounts to €1,300,000.

The deadline for submitting preliminary proposals (pre-proposals) is set for February 18, 2025, at 2:00 PM.

## »»» InterHeart – 6th Call under the ERA4Health Partnership, until March 7, 2025

On January 7, 2025, the ERA4Health call titled "InterHeart" was opened.

Key Dates:

- January 14, 2025, 2:00 PM – Webinar about the call.
- March 7, 2025, 12:00 PM – Deadline for submitting preliminary proposals (pre-proposals).

The competition is open to entities such as higher education institutions, with partner countries including Denmark, France, Spain and others.

Where to find more information?
