»»» NCN call portfolio. National and international calls

All those who are interested in submitting an application within the framework of the calls for proposals of the National Science Center are welcome to attend a training session conducted by NCN staff. The training will be held in an online format on May 27, 2025 from 10:00 am (duration 30 minutes). At the meeting will be discussed:

- National calls
- International calls
- Proposal submission restrictions
- Call timeline
- Call documents: where to look for information and how to read it?

Registration on the NCN website : www.ncn.gov.pl

»»» Stationary training: How to properly implement and settle a project funded by Horizon Europe - May 26, 2025 09:30 - 14:00

Horizontal Contact Point Northern Poland invites you to participate in a free stationary training course, which will be conducted by auditor Ernest Podgórski, who is experienced in auditing projects financed by the European Union framework programs, including Horizon 2020 and Horizon Europe. Training venue: Gdansk University of Technology 11/12 Gabriela Narutowicza Street, 80-233 Gdansk.

»»» Five researchers from the UG on the list of 100 outstanding young scientists

The Foundation for the Advancement of Science in Poland has announced a list of the 100 outstanding Polish scientists under the age of 30. The list includes five young scientists from the University of Gdańsk.

All young scientists from the University of Gdańsk represent the exact sciences.

Among those distinguished were:

- Mateusz Baluk from the Faculty of Chemistry
- Estera Rintz from the Faculty of Biology
- Paweł Cieśliński from the Faculty of Mathematics, Physics and Computer Science
- Sylwia Klińska-Bąchor from the Intercollegiate Faculty of Biotechnology of the UG and the GUM
- Beata Zjawin International Centre for Theory Of Quantum Technologies

»»» New NAWA tasks from July 1, 2025

From 1 July 2025, the National Agency for Academic Exchange will expand its competences to include issuing information on foreign certificates and documents confirming the eligibility to apply for admission to first-cycle studies and long-cycle master's studies.

The new tasks will be carried out by the NAWA Office for Academic Recognition as of 1 July 2025. Applications submitted before this date will not be considered. We invite you to follow the Issuance of information on foreign diplomas subpage [Wydawanie informacji o zagranicznych dyplomach](#), where instructions for Applicants will be published at the specified time.

»»» We know the results of the recruitment for the NAWA-EURAXESS Network 2024 program

The call for applications in the first edition of the program for institutions - NAWA-EURAXESS Network - has been resolved. 11 projects received funding out of 12 submitted applications. The total amount of funding granted is PLN 7,054,448.50. This initiative aims to develop a friendly environment in Poland for foreign scientists, PhD students and their families, by supporting their integration and building a career in our country.

Apart from the University of Gdańsk, funding was awarded to the AGH University of Science and Technology in Kraków, National Center for Nuclear Research, Silesian University of Technology, Poznań University of Economics, Jan Kochanowski University in Kielce, University of Łódź, Nicolaus Copernicus University in Toruń, University of Rzeszów, University of Zielona Góra, West Pomeranian University of Technology in Szczecin.
