## »»» Call for Proposals under the Proof of Concept Scheme Deadline - 24 March 2026

The Foundation for Polish Science has announced a call for proposals under the [Proof of Concept \(PoC\)](#) scheme, aimed at researchers — including early-career scientists — who have achieved research results with high commercialization potential.

📌 The goal of the PoC initiative is to support projects that initiate new technologies and products based on scientific discoveries, particularly at stages where research and financial risks are the highest. The programme enables applicants to transition from research results to the next steps on the commercialization pathway.

Detailed information and application documents are available on the [Foundation for Polish Science website](#).
